

Autodesk Solution Provider Authorization

CAD.kz, located at **Pushkin Str., 6/1, Nur-Sultan, 10000 Kazakhstan**, is currently authorized as an Autodesk Solution Provider. They are entitled to offer Autodesk software solutions, included in the Product Groups listed below, to end users within the Republic of Kazakhstan.

Tier: Gold

Product Group(s):

- Building Architecture
- Transportation Infrastructure
- Mechanical, Electrical & Plumbing (MEP)

This authorization is confirmed as of February 25, 2025, and shall be considered valid through January 31, 2026, provided the Solution Provider's tier and product group specializations listed herein are consistent at any time with those displayed on the official web page accessed via the QR code or through the direct link: [autode.sk/CADKZ](https://autodesk.com/partners/locate-a-reseller)

The Solution Provider's authorization becomes null and void if there is any inconsistency between the information provided above and that on the specified web page regarding the Solution Provider's tier or product group specializations.

Please note that as an independent reseller, **CAD.kz** is not authorized to bind Autodesk to any contractual obligations.

More information about Autodesk Solution Providers in your region can be found at: <https://www.autodesk.com/partners/locate-a-reseller>

Yours sincerely,
Autodesk
